Why Contact US
The OEF/OIF/OND Program offers case management and advocacy services to all veterans who served in combat since November 11, 1998 and are transitioning to civilian life.

Case Managers Will Provide:
- Individual care for your readjustment needs.
- Professional short-term counseling.
- Assistance with scheduling and accessing services.
- Contact assistance for VA services near your home.
- Information on VA and community services and resources.
- Information and support assistance for VBA benefits (education, home loans, compensation, work study).

Transition Patient Advocates Will:
- Provide information and assistance regarding health care benefits and eligibility.
- Information about veterans benefits.
- Assist veterans, families, and VA staff in coordinating VA services.
- Resolve complaints and concerns.

Who Is An OEF/OIF/OND Combat Veteran?
Combat Status is defined as veterans who served in combat during a period of war after the Gulf War, or against a hostile force during a period of hostilities after November 11, 1998, including Iraq and Afghanistan.

Frequently Requested Services By OEF/OIF/OND Veterans:
- Orthopedic care
- Hearing examinations
- Mental health/adjustment counseling
- Dermatology care
- Traumatic Brain Injury (TBI) screens
- Women’s Health

Other Services Available:
- Immunizations
- Physical examinations
- Substance abuse treatment
- Surgical
- Health education programs
- PTSD treatment
- Physical therapy and rehabilitation
- Dental (1st 180 days after separation from active duty)
- Smoking cessation

VA Health Care Benefits
- FREE medical and/or mental health care for 5 years from discharge from active duty for conditions possibility related to your service, regardless of your income status.
- FREE dental care within 180 days of discharge from active duty. Must have 90 consecutive days on active duty.

Mission
Honor America’s veterans by providing exceptional health care that improves their health and well being.

Vision
To be a patient-centered, integrated health care organization for veterans providing excellent health care, research and education; an organization where people choose to work; an active community partner and a back up for National emergencies.
