Biographical Note

WFMT is an FM radio station in Chicago, Illinois, featuring a format of fine arts, classical music programming, and shows exploring such genres as folk and jazz. The station is managed by Window to the World Communications, Inc., owner of WTTW, one of Chicago’s two Public Broadcasting Service (PBS) Public television stations. WFMT is also the primary station of the WFMT Radio Network, and the Beethoven and Jazz Satellite Networks. WFMT transmits form the Willis Tower.

Scope and Content of the Collection

The “War Letters” Collection consists of hundreds of letters and papers from every war from the Revolutionary War to the Gulf War. The letters were submitted from all over the U.S. to WFMT 98.7 for the Memorial Day “War Letters” program in 2001. Studs Terkel and other local actors read the selected letters on the air, with segments such as combat, love letters, and last letters. It won several awards that year in broadcasting and programming.
Arrangement

The collection arrived with no discernible arrangement and was rearranged alphabetically by war by PMML staff. The collection is contained within 7 legal boxes, 3 letter boxes, 2 small boxes and 1 oversize box. The collection is arranged into series according to WFMT Operational Documents and War Letters Submissions.

Series One: WFMT Operational Documents, 2001

This series contains documents pertaining to the operational side of the "War Letters" program, such as scripts, instructions, communication within the station, and articles pertaining to the program from newspapers all over the U.S.

Series Two: "War Letters" Submissions, 2001

This series contains materials that were donated by people across the U.S. to be submitted for the "War Letters" program to be read on the air. Some are donated by the veterans themselves, and some are donated by their family members and descendants. Most are copies, but there are also some originals.

Restricted Items

This collection contains one box of materials restricted for 75 years due to personal information.
