Minority Veterans Program
How the Minority Veterans Program Can Help You

The Minority Veterans Program can help by:

- Serving as an advocate for Veterans who are both users and non-users of the VA system.
- Addressing your issues and concerns regarding VA services and benefits.
- Linking you to resources available in your community.
- Educating and helping you access VA programs, services, and benefits.

Who the Program Serves

Our goal at Hines VA Hospital is to ensure that all Veterans are treated fairly and receive the best quality care.

The Minority Veterans Program was established to focus mainly on minority Veterans.

Veterans We Serve:

- Asian American
- American Indian
- Pacific Islander
- Alaskan Native
- African American
- Native Hawaiian
- Hispanic/Latino
