Biographical Note

George A. Heinrich was born August 10, 1915 to Gustave Heinrich and Rose Heinrich (Bestmann).

George enlisted in the United States Army on July 18, 1941 at age 26. He began his training at Camp Grant, Illinois, but was quickly moved to Fort Monmouth, New Jersey for Signal Corps training. After a few months, he moved to Camp Forrest, Tennessee as his Signal Corps training increased. From there he moved to Camp McQuaide, California and became part of the 58th Signal Battalion. At this point he began his foreign service in Australia.

While in Rock Hampton, George went to Teletype school to be trained to maintain and repair these cipher machines that were used to encrypt messages from the I Corps. George participated in the U.S. invasion of Hollandia on the north coast of Dutch New Guinea. His next invasion was at the Lingayen Gulf of Northern Luzon, in the Philippines in January of 1945.
After the Pacific Theater of Operations was concluded, George was shipped back to Chicago, Illinois after four years and three months in the Army. During this time George was promoted to Technician Grade Four, became good friends with Emil Schier, and enjoyed building radios for fellow soldiers.

George Heinrich passed away December 7, 2007.

Scope and Content of the Collection

The George Heinrich collection consists of items from George's service in the United States Army during World War II. Items included are: correspondence to his father Gustave and to his sister Ann, military documents & forms, photographs from the many different camps where he was stationed, a scrapbook containing images from his time in service, newspaper clippings, insignia, and George's uniform. The collection also contains one folder with correspondence from John and Carl Bestmann during their time in service in World War I. John and Carl were the brothers of Rose Heinrich (Bestmann), George's mother.

Arrangement

The collection arrived in no discernable order. Staff has arranged the collection. The collection consists of three series:

Series One: Military Documents, 1941-1954, n.d.

These documents pertain to George's service in the United States Army. They include correspondence between family members, military certificates and forms, and newspaper & magazine clippings sent from home. The correspondences are arranged by to whom they were addressed and then chronologically (Eleven large Japanese paper letters located in oversized box). All other military documents are arranged chronologically.

Series Two: Photographs, Scrapbook and souvenirs, 1941-1950, n.d.

This series consists of images of George's time in the United States Army. The majority of the photographs are of George with his military friends at the many different camps where he was stationed. The scrapbook is arranged as it was donated, in chronological order (located in oversized box). The final section of this series is the souvenirs that George obtained and sent home during his travels. In this section there are postcards from the towns he visited as well as Japanese invasion money.

One folder includes items sent home from John and Carl Bestmann during their time in service in World War I. John and Carl Bestmann were the brothers of Rose Heinrich (Bestmann), George's mother. Their letters track their movements from Camp Grant, Illinois to the trenches of France. Three unidentified images of a World War I soldier are also included in this series.

Mentions that they aren't allowed to sign petitions against the war.

Received Birthday cards and mail from friends and family. Checking in on his car. Won't be working on radio as it requires algebra but will probably be climbing telephone poles and putting up wires. Including three photos from camp.

Got shots for typhoid, tetanus or lockjaw. Spent yesterday laying telephone wires in the woods. Gets the times newspaper. Hoping to get $300 out of his car.

Went to the pistol range and hit most of the targets. Received crushed cookies from Ann. Hoping to go to the Ocean to fish soon. Met a movie actor from Hollywood that is disgusted by army pay.

Bought a camera at Long Branch. Saw an outdoor show at camp which George Raft was supposed to attend, but couldn't. Talked to some people from his old job at G.M. and wanting to work at the new Buick plant when he gets out.

Going to the auto and motorcycle races at Red Bank tonight. Joking about how "Al" wouldn't vote for Roosevelt again if he were in the Army.
800181013 Sending unneeded civilian clothes home. Has made a lot of friends at camp. Visiting New York and going to Radio City. Prices going up: Milk $0.15 a quart.
9/23/1941

800181014 Worked the entire day on kitchen duty. Served about 200 to 250 men. Hid in the bathroom to avoid drill in the rain. Talks about other soldiers hiding for up to six weeks or running away from camp.
10/3/1941

800181015 Happy to hear his parents found the large rolled up group photo. Work on telephone wire and tested the phone. Commenting on Al taking a physical to get into the army. Likely to be sent to another camp soon.
10/9/1941

800181016 Explaining how busy he the soldiers are kept; cleaning, marching, and waiting in lines. Went to a football game at New Brunswick, N.J.; Ft. Monmouth versus Rutgers University.
10/18/1941

800181017 Still at Fort Monmouth, but thinking he'll be moved soon. Sending pictures and negatives back home. Wishing he was home because there are so many good jobs available.
10/23/1941

800181018 Just received word that he is leaving Fort Monmouth for Camp Forrest, Tennessee. Had hoped to be sent to Fort Sheridan in Illinois.
10/25/1941

800181019 Packed and ready to move to Camp Forrest, Tennessee. Going to be a couple hundred miles closer to Chicago; glad he wasn't moved to California.
10/29/1941

800181020 Arrived at Camp Forrest; no big towns nearby. Attaching his new address.
10/31/1941

800181021 Settled into new camp. Close to Tullahoma and about 75 miles from Nashville. Surrounded by hills and woods in the barracks.
11/1/1941
800181022 Guarded two prisoners today and carried loaded shotguns. Ordered to shoot if they attempt to get away. Worked kitchen patrol for a guy who ran away. Includes drawing of a plug that he wants his parents to send him. 11/8/1941

Pretty sure he will be staying in U.S. because only men who sign up for three years are sent to camp in Iceland. Hoping to be home for Christmas but probably not for Thanksgiving. 11/1941

800181023 Might be heading to a nearby telephone strike. Prepared with gas masks and pistols. 11/14/1941

Still packed and ready to leave at a moment's notice. Might be sent to a mine strike in Pennsylvania. Would only be protecting the ones who want to work and the telephone lines. 11/19/1941

Won't be leaving camp as the strike was called off. Describes the different duties that the soldiers have to do at camp and which ones have the worst hours. 11/23/1941

800181025 Took a trip to Chattanooga, TN and stayed at the Hotel Northern. Traveled through the Cumberland mountains by hitch-hiking. 12/1941

Went to "lookout mountain" and thinking he won't get many more trips since war has been declared on Japan. Doubting he gets furlough but hoping to come home for Christmas day. 12/9/1941

800181026 Has been told to send all things not needed back home, thinking they'll be moved soon. Since his outfit is important, they might be moved to the West Coast. 12/12/1941

Some of the soldiers are receiving furloughs, but hears that things may change soon. If they do get one they can't go far from home as the Army will need to get a
Furloughs have been canceled and leaving for California tomorrow.  12/14/1941

On his way to California; trip going slowly because the train is so long.  12/17/1941

Still on the train to California; passed through Tennessee, Arkansas, Missouri, Kansas, and now in Oklahoma.  12/18/1941

Passing through New Mexico; riding in Pullman cars since Amarillo, Texas.  12/19/1941

Arrived at Camp McQuaide after almost six days on train. Very nice camp and right next to the Pacific Ocean. Saw the orange groves in San Bernardino, mountains, and better growing crops than Illinois. Near Watsonville and close to Palm Beach.  12/23/1941

Glad to hear that his box of things from Camp Forrest arrived home. Feels like spring weather in California. Stuck on kitchen patrol on a Sunday. Had a black out last night due to nearby planes.  1/1/1942

Went to the beach and took pictures with Emil's camera. Commenting on the 18 below zero weather in Chicago while being almost 80 in California. Living in tents instead of barracks. Took out life insurance.  1/11/1942

Expecting to leave Camp McQuaide sometime next week. Might be moved to Stockton. Went to the beach again and saw a lot of sea lions.  1/16/1942

Packed and ready to move, but might not happen until the 25th. Heard that Hank got a job at the pipe company. Wondering if they can still buy tires back home. Emil's birthday.  1/20/1942

Still at Camp McQuaide and looking like they won't move for a while. Climbed poles  1/24/1942
and put up cross arms for training. Went to the beach and climbed a 200ft bank.

Passed the most recent strict inspection and got a day off. Food at camp is good because their baker used to cook in Chicago and didn't learn through the army. Hoping they don't go on daylight saving time.

Among about thirty who are on a list to be transferred. Might be sent to the infantry. Hoping for another outfit because this one is too strict. Will definitely look Emil up after the war is over if they get separated.

Received his radio from home and cookies from parents and Annie. Took a trip through Watsonville, Salinas, Del Monte, Monterey, and Carmel. Saw the Spreckels sugar factory in Salinas.

Still at Camp McQuaide but reason for being transferred is "bad feet." Got to see a newsreel of the ski slide at Fox River grove and felt homesick. General news of friends from home joining the army.

Practiced moving by packing everything up and pitching tents in the prairie nearby. Him and Emil hiding out in the recreation hall to avoid a hike and instead write letters and go to a show.

The move may have been canceled and he might be staying with the 58th. Took a trip to Merced, California. Nice trip traveling through the mountains. Also went to San Juan.

Has not received his Outdoor Life Magazine since changing the address. Went to the rifle range at Fort Ord. Getting tired of going to shows and will probably play some sports or go to the beach on their upcoming days off.
Finally received the Outdoor Life magazine. Having a parade for the one year anniversary of the 58th, going to receive colors from General Richardson; An orange flag with a white eagle on it that says "58th Signal Battalion." Strictness lightening up and getting more day passes.

Just got back to camp from camping trip to Las Banos. Got a two day pass and went to Santa Cruz and San Francisco; found it 6/20/1942
difficult sleeping on soft hotel bed after hard camp mattresses.

Heard they are expanding the camp and building wooden barracks, might be moved to Fort Ord. Has been laying field wire at night.

A quick note that was sent along with a money order. Not wanting too much money on him so having most of his pay sent home to his safe.

Moved to Fort Ord, 30 miles south of Fort McQuaide. Not as nice and has to sleep on camp cots instead of beds. Hoping to not be staying too long.

Sent radio and razor home while traveling. Pay raise to $50 a month. Going on another trip to Hunter Liggett this week.

General health topics: Stomach is feeling much better than it did when he was at home, had an eye infection. Tomorrow one year anniversary of being in the army.

Brief letter updating on upcoming maneuvers, guard duty, and kitchen patrol.

Bought a sleeping bag for $9.60, better than the blankets they were provided. Had gasmask drill. Thinks there are about 30,000 soldiers at this camp.

Thinking he will be leaving for another camp by August 2nd. Coal isn’t used to heat the furnace at night. Told he wouldn’t be able to take sleeping bag if they went on foreign service.

Other soldiers gambling their pay away and spending it on whiskey. Explaining how the ocean fog affects their weather. Saw Arlington Heights racetrack on a newsreel.
Leaving Fort Ord. in the morning for the maneuver area 600 miles south of there. Took driver test and will be a relief driver on a 1 1/2 ton truck during the trip.

After 37 miles in on their trip, got a radio call to return to Fort Ord. Not sure what is happening with his company; overseas or joining another corps.

Heard that his outfit is not attached to the seventh corps anymore. Sent home his sleeping bag. Still a possibility of foreign service.

Leaving Fort Ord. by the first of September. Tags on crates say "port of embarkation 'San Francisco' and fairly sure they will be going to Australia. Had a camp show with George Jessel as a main act.

Made an allotment to have $25 sent home every month. Says the food is good but not how the papers make it out to be.

Sent some army books home. Went to Pacific Grove with Emil on a pass; took a ride on a glass bottom boat and went to a boxing match in Salinas. Watched a training video on what to do if captured.

gives word differently.

On the voyage to Australia and hasn't been seasick at all. Emil is still in the same company. 9/21/1942

**800181085**
Has arrived safely in Australia. Using Australia money; a pound note is about the size of old U.S. dollar bill - worth $3.27 in American money. Happy to have Emil Schier with him still. 10/5/1942

**800181086**
Still in the same place. Got a pass to go buy Christmas cards and gifts. Went bicycle riding with Emil. Many of the films they show there are old ones he saw before he was drafted. 10/21/1942

Not much new news. Went to the shows and happy Pa got the batteries removed from his meter.

News from Ernie that Joe Hoyka is quitting his job and moving to Iowa. Everything else is the same in Australia.

Thinks that Joe Hoyka moved to try to avoid being drafted and will try to get his old job back after the war. Feeling like spring and wondering how his boat is holding up.

Sent a thank you letter to Mrs. Forsell. Received, read, and forwarded his issue of Outdoor Life to Emil.

Received a $3 money order from the neighborhood. Going to cash it while on his shopping pass.

Hoping his Pa isn't having to tough of time with only nineteen men working. Assumes so many are in the Army or defense.

Wondering if Al has been drafted.

800181114 Surprised to hear that a few neighbor boys got furloughs still.

7/11/1943 Expanding on the process of shipping requested items. They stamp the request letter at the post office so it can't be used again.

7/18/1943 Thinking the gas rationing must be helping to save tires. Asking how the Plymouth is doing.

800181116 Promoted to Corporal; tells parents to address letter to T/5 before his name. Pay raise to $79 a month.

7/25/1943 Received their birthday card to him. Australia winter will be over soon, but hasn't felt like it at all. Sound system went out at the show last night.

7/31/1943 Forwarded his Outdoor Life magazine to Emil as he doesn't get many things to read where he is. Got their picture of Rosalie and Georgie.

800181118 Saying that his folks didn't have to send his watch request letter back to him, just show it at the post office.

8/9/1943 Asking about the new house his parents bought. Heard that Joe Hoyka is now working at Douglas.

800181119 8/12/1943

Away from the 58th for detached service with the 52nd training. Going to be busy studying for the next two months while there.
Settling into the new place. Doesn’t feel like Christmas, just a normal summer day. Having a turkey dinner at camp that night.

Sending a money order of $50 and one of $70. Received a letter from Uncle John, but hasn’t heard from Al or Joe Hoyka for a while. 2/12/1944

Apologizes for not writing last week, been very busy. Hasn’t heard from his parents in a while either. 3/1/1944

No longer in Australia, moved to the southwest Pacific (specific location redacted). Voyage was good and saw a few sharks and flying fish. Met some natives that build grass huts for the Army. Hasn’t had 3/9/1944
any coconuts yet, worried he might have to get a waterproof watch.

Another letter saying that he is no longer in Australia and in a redacted location in the southwest Pacific. Army now giving furlough after 18 months in the service. He should finally get one after three years in the Army.

Can now mention that he is on an island in the southwest Pacific. Taking atabrine to prevent malaria. Still hasn't heard from them in a while.

Settling in on the island. Went on a hike for coconuts and bananas.

Sent another $90 home, received Outdoor Life and letter from March 3rd. Checking on the other money orders he sent.

Doing well on the island, can't say much about the weather for security reasons, but it would be considered a tropical climate.

Surprised to hear that Hank got put in 1A. Wants pictures of the new house sent. Might be too busy to write in the next few weeks.

Made a successful landing in enemy territory at New Guinea. Picked up some Japanese souvenirs. Telling them not to worry as he has good protection.

Has been busy building a new radio. Likes their new location better than Australia; a lot warmer and a lake nearby.

Received letters from April 2nd and 23rd. Doing well in New Guinea, goes to the lake to wash every morning. Mentions sending a postcard.

Sent Japanese postcard home. Thinks their new rock garden sounds nice. Probably going to send flashlight and money home soon.

800181162 Finally got his radio finished and working. Picks up stations from all over the world. 8/29/1944

800181163 War news sounds encouraging. Thought is that if the war in Europe ends, the Pacific one won't last much longer. 9/4/1944

800181164 Checking in on the box of souvenirs he sent to them. Mail has been coming in slowly. Got a newsletter from G.M. Laboratories. 9/10/1944

2/3/1945

Doubts he will be able to get in the rotation to get back to the States anytime soon; new points system and he only has 80. Those married and with children get first priority even if they've been in for less time. Sending photos from New Zealand from when he first went overseas.

5/17/1945

Getting well settled in to the camp at Philippines. Tents on frames a foot off the ground on bamboo; Filipinos do most of the work for them.

5/24/1945

Still celebrating the ending of the war. Some of the soldiers with more points have already left for home. 8/18/1945

Starting the first stages of heading home. Enclosing a money order of $90. Saw Emil again last week and since they have the same amount of points may be heading home together. Hoping to be back by Thanksgiving. 9/4/1945

Received the cookies and camera; cookies in pieces but tasted great.

Cleaned and shortened his pants; heard the Army clothes only come in two sizes: too big or too small. Hitch-hiked to Asbury Park last weekend. Hoping to make it to New York or Washington D.C. next weekend.

Received more cookies that weren't crushed this time. Had some stomach problems and missed out on laying three miles of wire.

Went to NY with Emil Schier and Bill Beglin. Says Broadway makes State Street look dim. Doesn't know the movie director who is now in the Army that Ann mentioned. Guys from Texas playing guitar while everyone is laying down writing letters.

Going to town this afternoon to buy a nice camera. Doesn't get as many headaches as he used to back home; Army doctor says to take bismuth if he does.

Brief note mentioning enclosed pictures from New York and camp. Ask her to save
them for him.

Mentions how he has more friends at camp that he did back home; happy to have a few more fishing partners when he gets back home now. Bought new camera for $7.50; Ernie wants the negatives so he can print them. Enclosing "a folder which I think you would like to have"

Sent home his suede jacket with the large photo of the company inside. Talks about the photo of him and Bill Beglin pouring drinks in NY. Johnnie Bestmann hasn't gotten his questionnaire yet, belongs to the Elmwood Park Board. Blood type and religion was stamped on his dog tags (includes a drawing of what they look like).

Went to NY again with a group of about 100 others. Visited Fort Hancock, saw a dozen British warships and merchant ships. Hearing the fight between Louis and Nova tonight. Asking how farming is going for the family.

Jealous of some soldiers who are being sent to Fort Sheridan. Everyone at the rally clapped at the speakers besides the soldiers. Explains how he and Emil are getting good at dodging work.

Went to a football game at New Brunswick, N.J. of Fort Monmouth versus Rutgers. Washing own clothes because sending them to be washed costs a lot and clothes get lost. Hoping all the things he's learning will help him get a better job after the Army.

Leaving Fort Monmouth for Camp Forrest, Tennessee; 1000 mile train ride southwest.
Had he joined the army a week earlier, might have been sent to Fort Sheridan.

Packed and ready to leave for Camp Forrest, Tennessee. Going with five others that he knows from camp.

Heard that the soldiers sent to Fort Sheridan will be sent to Iceland and Greenland; they don't send draftees to foreign service. His company is packed and ready to move to a telephone strike in Pennsylvania.

Received chocolate covered cherries from Ann. Colonel gave speech describing what they may have to do at the coal mines in PA. Albin got his questionnaire. Says that Hank should continue to drop in at Dallas Company for the job; that was how he got the job at Howard Radio.

Strike in PA was called off. General news of friends and family joining or avoiding the army. Has own gun, a .45 colt automatic pistol.
Went to Shelbyville with Emil to have dinner and watch a movie. All the towns in the area have the outside lights out at night due to the power shortage. Went to an artificial lake near Tullahoma today. Emil was found guilty but sentence suspended.

Has been going to the pistol range on a daily basis, getting decent scores. No word on Christmas furlough, just have to wait and take what they give. The camp has started coal detail and soldiers have to shovel coal for a few hours if they get in trouble. Albin said he was rejected from Army.

Traveled to lookout mountain. Saw an auto accident on the way there with six killed. Doubts he'll get to come home for Christmas due to war being declared on Japan. Listened to the President's speech on the radio; heard people cheering but all the soldiers were down about it. Had a broken tooth pulled.

Leaving Camp Forrest for California. Was about to sign a furlough paper when they got the word. Storing unneeded items at barracks but doubts they'll be there when he gets back.

On his way to California; a week long train ride. Most of their equipment and things are on separate trucks which are on flat cars.

Still on the train; hard to write a letter.

Enjoys looking at the scenery during the day but hard to sleep at night.

Arrived at camp. Slept outside of grounds in tents due to the thought that Japan would attack over the holidays. Sent a jewel box in the shape of a baby grand piano to Ann for Christmas. Camp is near Palm beach,

800181226
Still at Camp McQuaide. Had to go on a hike in the rain today. Doesn't mind guard duty during the week but likes to have Sundays off. Went to Watsonville with Emil and Chester Van for Emil's birthday. Going to see a double feature, theater only a block from their tent and cost twelve cents.

800181227
Glad he hasn't had to do any extra duty for any bad inspections and gets Sundays off. Got a box of candy from Mrs. Schubor. Frustrated that he hasn't spent more time learning relevant things like shooting. A Corporal was killed after being accidentally shot by a soldier who didn't know how to
properly load his gun. Had a tough time reading Rosalie’s letter.

Went on a trip to Merced last week. Heard that Hank Demlow has to march 25 miles a day; thinks he’s probably in the infantry. Went to the beach and met two soldiers who had a jar full of wild honey bees. Saw an old Spanish mission built in 1797. Was on guard duty the night the submarine shelled near Santa Barbara, but was 200 miles from his camp.

Built a line at Fort Ord; put up poles last week and strung the wires today. Has K.P. tomorrow.

Went to the municipal pier, thinks it's kind of like Navy Pier in Chicago. Had a free show at camp sponsored by the Pacific Bell Telephone Company.
Having parades at San Jose and Los Gatos but might get out of them due to guard duty. Worried that even if he gets a furlough it may be too expensive and take too long to get home; 3 days one way on train at $85 and 14 hours on plane at $200. Emil got three day pass for cleanest rifle and George wishes he could have joined him on a trip to San Francisco.

Sent Ann a vase made from a redwood tree. Thinks he'll be staying on the coast for defense. Talks about laundry services and types of clothes they wear out there. Saw "The Courtship of Andy Hardy" starring Mickey Rooney.

Emil accidentally fired his pistol while cleaning it; got a pay cut.

Talking about the new factory being built near John's farm and the explosion at Elwood arsenal near Ann's. Planning fishing trips with Emil if they ever get back to Chicago.

Frustrated at the daily routine of inspections and lack of productive practices and learning. Went camping at Los Banos over the weekend then fishing at Pinto Lake this week. Also visited San Francisco and looked up the artist they stayed with in New
York.

Building new wooden barracks at camp. Might be moving to Fort Ord soon; heard maybe Mexico at some point. Says our side hasn't done much winning yet, in worse position than the last war. General letter about drills, inspection, rumors, and friends and family being placed in different groups.

Took a trip to Monterey with Emil; included a folder all about Monterey. Still thinking he'll be sent to Australia and that the war won't be as easy as the last one.

life after the war.

Comments on how it boosts his moral getting letters from home. Got a promotion of Corporal. Talks about Pa buying a house.

Still wondering about the house. Asking how long Rosalie's summer school lasts and if Georgie's stitched up finger is better.

Glad Pa didn't get the house as the final asking price was too high. Says he hasn't seen anyone he knows for 25 months. Saving a lot of money.

Happy his parents are finally sending a watch; didn't think they were that scarce. Received birthday card from the neighborhood.

New picture of Rosalie and Georgie reminds him of the photo their mom took of them. Surprised Pa is still looking at houses to buy.

Hears encouraging war news and thinks he'll be home by this time next year. Got a letter from Ernie and Laura saying Joe Hoyka is back in Chicago.

Comments on Pa buying a house and wonders how much of his money is in it. Still hasn't received the watch.

Thanking for her explaining the details of the business deal. Says that if anything were to happen to him, he would want her to get his money.

Hasn't heard any of the details of the house from Pa yet; may ask him to send a statement.

Mentions that he has $2,500 in the house and 325 remaining in his account. Able to save money much more easily while in
foreign service.

800181321 Happy to only be in Australia and not somewhere worse. Hoping to get his picture taken to send home. 10/16/1943

800181322 Commenting on Uncle Charlie getting married again and John being in the hospital. 10/24/1943

800181323 Able to mention that he was stationed in Auckland, New Zealand and Sydney. Likes both of them more than where he is now. 10/30/1943

800181324 Thanking for the Christmas present of a pen and pencil set. General news about friend and family in the service. 11/7/1943

800181325 Couldn't wait until Christmas to open his gift from them. Surprised that G.M. may send him a gift; things business must be good for them now during the war. 11/14/1943

800181326 Doesn't think he'll be returning home too soon. Got a package from Pa and Clara. Talks about Fritz Moeller's new job. 11/20/1943

800181327 Talking about his 1/4 share of the house and how he doesn't think it's a good deal; wants her to talk to Pa. 12/4/1943

800181328 Sent some pictures and negatives home. Doesn't think the war could last more than a year. Hears that rationing is getting pretty serious. 12/11/1943

800181330 Had a turkey dinner for Christmas. Gets to see movies every night at his new place. Hears they are drafting married men with children now. 12/25/1943

800181331 Still hasn't received mail at the 52nd. 1/1/1944
Doesn't have much to do but studying and classes.

Doing well at the 52nd Signal school. Still no mail forwarded.

1/9/1944

Doesn't think he'll receive any mail until he returns to the 58th in three weeks.

1/16/1944

Almost finished with courses; averaging a 96%. Sent a "Yank" magazine home to her.

1/23/1944

Finally received a letter at the 52nd. Did well on final exam and places on the honor roll. Heading back to 58th next Sunday.

1/30/1944

Back at the 58th; large amount of mail waiting for him. Surprised Christ got married.

2/6/1944

Able to mention that he is stationed on an island in the Southwest Pacific. Describes the pool, mountains, wildlife, and flowers.

3/18/1944

Isn't worried about his 1/3 share in the house. Is going to ask his Pa to put his remaining $685 in the bank.

3/24/1944

Heard from Bill Fox who is working in a defense plant and says that the old G.M. plant is a lot bigger. Sent more money home as he only needs two shillings (32 cents) for a haircut.

4/2/1944

Talking about old friends Bob Doyle and Johnnie Fraser. Thanking for offer for subscriptions, but gets Readers Digest and Outdoor Life already.

4/8/1944

Able to mention that he has been in Rockhampton, Australia. Hoping Hank gets his deferment; would be tough for him to adjust to Army life.

4/13/1944
Hasn't written in a while because they have moved into enemy territory in New Guinea. Surprised the Japanese soldiers and was able to pick up a hand powered flashlight as a souvenir.

Building own radio; found Japanese earphones to use as parts. Likes it better than Australia, have had many air raid alerts but only seen one plane.

Received the Coronet magazine she sent. Spends most of his time in the repair tent.

They still don't have movies where he is, but hope to soon. Hears that Chris has another furlough; surprised that it's his fourth and George hasn't had one.

Sent postcards home. Hears they finally started the second front; hopes the war will finish quickly now. Feels lucky to have not been sent to England.

Heard from Emil; still in New Guinea but not near George. Will have been in the Army for three years this 18th.

Sorry to hear about Uncle Frank passing away. Hasn't seen Eddie yet or anyone he knew from home. The group built a canoe that quickly sank.

Glad that Rosalie is alright after her accident. Visited a native village in a sailboat.

Still in New Guinea but moved to a different place which is hot and dusty. War news seems good and hopes to be home for his next birthday.

Stomach has been much better lately. Got a letter from Uncle John and sent him some invasion money in return. Sent his Japanese flashlight and a native ax head home along with Australian and New Zealand coins.

Aboard a ship heading for a new location; part of a convoy. Might not be able to write for a while. Met a guy from Irving and Harlem.
