OUR MISSION: To honor and empower Wounded Warriors

Today, over 100,000 wounded service members, their family members, and caregivers receive support each year through free Wounded Warrior Project® (WWP) programs and services. These programs focus on the physical, mental, and long-term financial well-being of this generation of injured veterans and their families. When you give to WWP, you are not just making a donation, you are investing in our mission to honor and empower Wounded Warriors.
