What is IllinoisJobLink.com?

IllinoisJobLink.com is an Internet-based job search tool that features current job openings.

IllinoisJobLink.com searches for open jobs by job category. Both statewide and nationwide job banks are included.

How do I create an account?

- Go to www.IllinoisJobLink.com.
- Click on “Job Seekers” and create a basic or plus account based on your needs. The recommendation is to create a plus account to access all services.
- You will need to create at least a basic account from the “Benefits for Job Seekers” page and follow the screens entering all required information. The more complete and current the information, the better chance of being matched with a job.

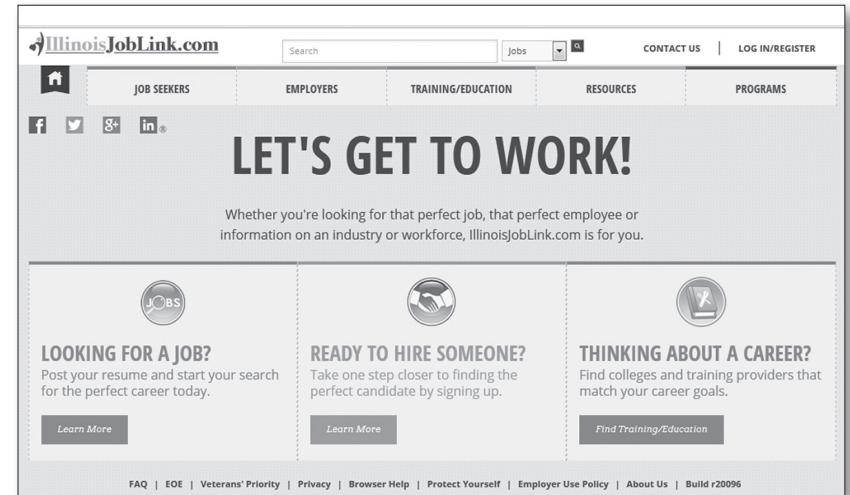

Basic Account

- Perform advanced job searches.
- Build and post an online resume.
- Save your job searches.
- Create a personal profile.
- Receive e-mail updates.

PLUS Account

Includes all basic account items plus more:

- Access to services that let our staff match you with your ideal job.
- Advanced job notification for Veterans.
- This is a public workforce system and is free to use.
- Additional referral resources including skills certification and training programs.

Your resumes can be searched by employers in IllinoisJobLink.com!

- You can build your resume online, upload your existing Microsoft Word resume, or copy and paste text from your current resume.
- Employers will search for resumes by selecting search criteria based on keyword, experience, education and other criteria.
- Employers will only see your resume if your resume is active.
- From your Resume Page you can control the active status of your resume on Resume by selecting the hyperlink under “Status”. To make your resume inactive, change the number of days to zero. You may want to do this if you are no longer looking for a job.
- **IllinoisJobLink.com** allows you to have multiple resumes to target specific jobs.
