A Message from the Founder & Chair

I am excited to invite you to sponsor a very special 2023 Liberty Gala. In celebration of our 20-year anniversary, we are hosting an event that will bring everyone together to celebrate the contributions of our community. This year’s theme is, “Remembering the Past, Forging the Future.”

Along with special guest appearances, the evening will showcase our year in review with highlights from our annual On War Symposium, which focused on the 50th anniversary of the creation of the All-Volunteer Force, the opening of our TET and the Battle of Hue exhibit, with accessibility to low vision and blind audiences, the expansion of our family programming to a monthly line-up, and more. During the evening, we will celebrate all three recipients of the fourth annual Citizen Soldier Award - our first all-female class - in addition to three 2023 Founder’s Award recipients.

We will preview the exciting year ahead with the anticipated opening of our Pritzker Military Archives Center in Somers, Wisconsin, our upcoming exhibit presenting the legacy of Bob Hope, plus new educational opportunities for middle and high school students and expanding partnerships with veteran groups.

It is because of you, our sponsors, that the PMML is able to touch so many new people with the importance of our mission. And with our new public charity status, your support is more important than ever. Thank you for your help in bringing military history, military affairs and national security conversations to citizens and military people around the world.

I look forward to visiting with you at the Gala for a very enjoyable evening!

Colonel (IL) Jennifer N. Pritzker, IL ARNG (Retired)

She completed Basic Training at Fort Lewis, Washington, before being stationed in Hawaii. Her first assignment as a 1st Lieutenant was treating prisoners of war at Tripler General Hospital in Oahu. She was the first president of the Women In Military Service For America (WIMSA) Memorial Foundation serving from 1987-2016, and was the driving force behind the establishment of the Military Women’s Memorial, the nation’s only major memorial to honor the service of all military women.
