Sponsor Veteran Attendance

If you are unable to join us personally at the Bash, you may still play a vital role in the evening by sponsoring the attendance of those who serve. You have the option of making a donation at any of the sponsorship levels and we will offer the seats to military guests and their families.

Your generosity ensures that these service members are honored by our community and can enjoy an evening of celebration at no cost to them. It is a profound way to turn your contribution into a direct gesture of gratitude to those who have served.
