---

## Biographical Note

Arlene Rakoncay was an avid anti-war protester in the 2000s as a part of the "World Can't Wait - Drive Out the Bush Regime" organization. Attending anti-war rallies and protests, Arlene voiced her opinion to end the war in Iraq, hold the George W. Bush administration accountable for war tactics, and education the population on specific situations such as the Guantanamo Bay detention center and the Blackwater mercenaries.

---

## Scope and Content of the Collection

The Arlene Rakoncay Anti-War Collections consists primarily of newspaper clippings and website printouts of articles relating to the war in Iraq and its effects on the country. Also represented in the first series are email correspondence between Arlene and other members of the anti-war organization "World Can't Wait - Drive Out the Bush Regime." These items are arranged in the order in which they were received, primarily organized by year and topic base. The second series consist of visual and audio

material generated by the organization and its members: CDs, DVDs, photographs, and a text. Oversized newspaper clippings are organized in the same order.

## **Arrangement**

The collection arrived in loose chronological order. Original order has been maintained for the collection. The collection consists of two series:

### **Series One: Anti-War Newspaper Clippings, Website Printouts, & Correspondence**

This series consists primarily of newspaper clippings and website printouts of articles relating to the war in Iraq and its effects on the country (Article title and author listed). Also represented in the first series are email correspondence between Arlene and other members of the anti-war organization "World Can't Wait - Drive Out the Bush Regime." These items are arranged in the order in which they were received, primarily organized by year and topic base.

### **Series Two: Anti-War Audio and Visual Material**

This series consist of visual and audio material generated by the anti-war organization World Can't Wait: Drive Out the Bush Regime and its members: CDs, DVDs, photographs at rallies, and a text of poems.
